

Binging Linear Algebra

ALAPAN CHAUDHURI

April 3, 2022

RESOURCES

So tomorrow's your LA exam and you haven't studied shit? That was very predictable. No worries, binge the following.

1. [Essence of Linear Algebra \(3b1b\)](#)
2. [Single lecture revision](#)
3. [Cheatsheet I \(but in dirac notation\)](#)
4. [Cheatsheet II \(normal notation\)](#)
5. [Cheatsheet III \(has vector spaces defined\)](#)
6. [Why LA is taught badly \(for intuition\)](#)

GENERAL ADVICE

- In case you don't remember Groups, Rings and Fields → [Cheatsheet](#).
- Please watch the 3b1b series Essence of Linear Algebra.
- If you are thinking of working on Quantum Computing or Machine Learning try to learn LA conceptually.
- Checkout [IIIT-Course-Resources](#).
